Dear Friend,

If you enjoy the Little Tennessee River Greenway, please support it by joining Friends of the Greenway for 2025. With your help we can continue to meet our mission in working with local government in stewardship of the Greenway. Our goals are trail improvements, sharing information on its natural wonders, and sharing the historical significance of this special landscape.

New projects are planned for 2025, but continued funding is needed. You can now use our website at [littletennessee.org](http://littletennessee.org) to complete the form and pay with credit card or mail this form with a check to Greenway Visitor Center/FROG Quarters payable to Friends of the Greenway. You can also establish a recurring monthly donation on our website.

Your membership and donation of \$10, \$20, \$50 or more is essential in our work to make the Greenway better. If you care about the trail, join us with your contribution and encourage everyone you know who uses the Greenway to become members too.

Thank you from Friends of the Greenway Board
